Station: Coondapur, *Dated the* 10th November 1929.

From (Name) M. R. Ry. V. Narasanna Karanth Avl.
(Designation) President, Taluk Board, Coondapur.

To The Secretary to the Government of Madras,
Local Self-Government (Public Health) Department.
Madras.

Sir, — Through The President, District Board, South Kanara.

I have the honour to state that the want of a dispensary is keenly felt at Kollur which is a malarial place and situated at a distance of 16 miles from the Baindur L. M. Dispensary and 20 miles from the Wandoor Rural Dispensary. Kollur stands at foot of the Ghauts and yearly there is a big festival with an attendance of 2000 people. There is also a famous temple here which is visited by the people of Malabar throughout the year. A dispensary at this place will not only serve for the people living in the Agodi and

Kotteshwar villages which are above the Ghauts and the population of which is 794 and 533 respectively, lent also for the inhabitants of Gokhole and Kudoor villages with a population of 1361 and 415 respectively.

2. Under the above circumstances the residents of Kollur and its neighbouring villages recently put in a petition requesting that the medical Practitioner employed in the Rural Dispensary at Waudse may be permitted to hold the Dispensary on one or two days in every week at Kollur and that some additional subsidy may be granted to him from the Taluk Board funds as a remuneration for that work. The Taluk Board has accordingly granted the necessary permission to the medical Practitioner and has also sanctioned the payment of an additional subsidy of Rs 120—— per year. Please vide, Copy of the Taluk Board resolution no 30 dated 30.9.1929 enclosed.

3. I therefore request that the Government may be pleased to approve the proposal to permit the medical Practitioner in charge of the Waudse Rural Dispensary to practise at Kollur for two days in a week.

I have the honour to be,
Sir,
Your most obedient servant

President 11/11
